

MEN'S KILIM JACKET

These are the *garment* measurements of our Kilim Jacket. It may be helpful to measure a coat you already own that fits you well to gauge the size you need.

If the measurements you need aren't in the size chart, we'll change the pattern just for you, at no charge. Call us at [\(503\) 308-8220](tel:5033088220) or email hello@dillonmontara.com with your questions, and we can help make it fit.
